

DUAL WIRELESS CHARGING BASE

Qi-Certified Charging Base 20W

Dual Charge

Conveniently charges your devices simultaneously at their maximum wattage

Qi-certified

Delivers a safe and reliable wireless charging experience

Charging Base 20W

Engineered for safety, efficiency and durability

THE IDEAL SOLUTION FOR CHARGING 2 WIRELESS INTEGRATED OR COMPATIBLE DEVICE SIMULTANEOUSLY!

The PNY Dual Wireless Charging Base delivers optimal wireless charging for iPhone® X, iPhone 8/8 Plus, Samsung®, LG®, Sony® and other Qi-enabled devices. Designed with two charging surfaces, the Dual Wireless Base lets you charge two devices simultaneously and works seamlessly with the latest Qi technology to deliver a safe and efficient charge to your smartphone up to 10W. No longer need to plug cables into your phone to charge. Just put your device on the base and the induction interaction will charge your phone or tablet instantly. Need to send a text? Receive or make a call? Simply pick it up without having to unplug it, use it, put it back on and your device will charge again.

- Engineered to deliver the optimal 7.5W (iOS version < 13.1) of power to your iPhone (iPhone 8 and above)
- Charges through lightweight plastic phone cases up to 3mm thick
- Anti-slip rubber on the surface and on the bottom prevent your smartphone from sliding
- Twin LED Indicators to see the charging status of both of your devices
- Multiple safety protection system to ensure devices safety
- Metal foreign body detection function
- Premium fabric finish
- 20W Dual Wireless Base and power adapter included
- Also available in Black and in Red. For more information, please contact sales@pny.eu
